c. Any person eligible by virtue of a physical handicap for special privileges under this Section shall present to the Board of Public Works and Safety a written application, on a form furnished by the Board of Public Works and Safety, for a permit entitling that person to the exclusive use for a period of one (1) calendar year from date of issue of one (1) parking space adjacent to the applicant's place of residence and one (1) parking space adjacent to the applicant's place of employment, where applicable. Such application shall include a certificate by a qualified physician verifying that the applicant is a physically handicapped person as defined in this Section. g. Parking of a vehicle by any person reserved hereunder without a visible permit showing such parking to be authorized shall be unlawful and shall subject the owner and driver of the vehicle so parked to the penalties provided for violations of this Chapter.
